

How to Login to Maximus

- a step by step guide

Step 1: Access the Maximus Login Page

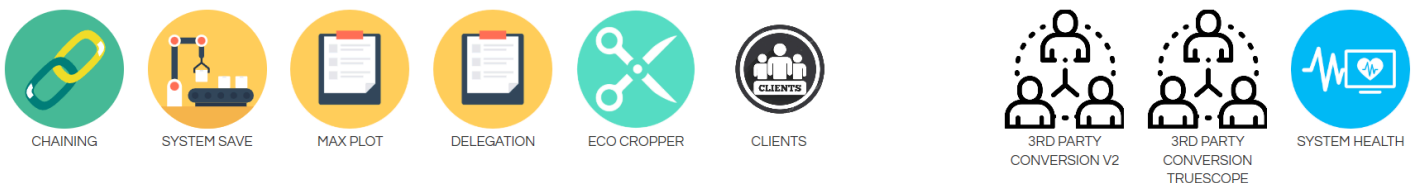

Open your preferred web browser (**Microsoft Edge, Google Chrome**) and click the link provided below:

https://plotting.mtmaxsys.com/app/_/dashboard

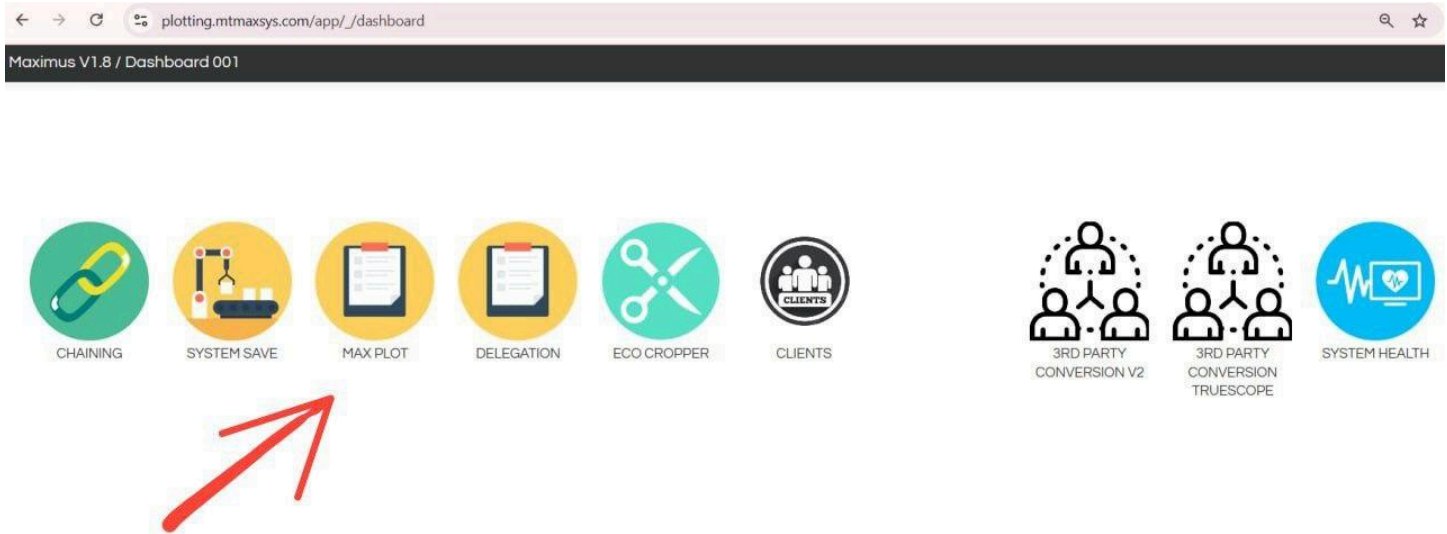

Step 2: And then you will be directed here:

* Please take note use only your gmail account linked to registration to access MAXIMUS.

🔑 Step 3: Please check where that arrow is pointing and click on the one named **MAXPLOT**

Once you've opened it, you'll notice the options on the far side. If you're ready to go on duty, simply click 'Active' If not, you have other choices—select 'Break' if you want to pause, and 'End of Duty' when you're done.
