	<ul> <li>We link both teasers and continuations to their referenced articles. In other words, all articles on the front page which reference a later page need to be linked to an article on said later page. Select only 1 article for linking.</li> <li>Do not link teasers that do not have page references and chain link not allowed</li> <li>For the sample below article with continuation and teaser, we will prioritize</li> <li>Continuation over the Teaser. No need to link the teaser.</li> </ul>

# LA LINEA MELONI PIACE

# Pd isolato in Europa

A Bruxelles diversi Paesi si schierano con l'Italia sui centri migranti all'estero. I nostri progressisti, delusi, vanno in Albania a protestare

#### TOMMASO MONTESANO

Da una parte il consenso europeo sulle «soluzioni innovative», dall'altra la richiesta di aprire una procedura di infrazione nei confronti dell'Italia per il "modello Albania". Accade questo sul dossier immigrazione: mentre l'Italia promuove una riunione informale a Bruzelles per illustrare il suo progetto pilota di esternalizzare la gestione dei richiedenti asilo, il Pd a Strasburgo d'accordo con il suo gruppo, quello dei Socialisti e (...)

Note: Plot leaders will assign 'Completed' sources (no more pages left to plot or delete) to linkers. There is an ongoing update regarding notification but plot leaders may also inform linkers thru chat that a linking assignment has been sent. Linkers may access the linking UI from the dashboard by clicking here on the dashboard.

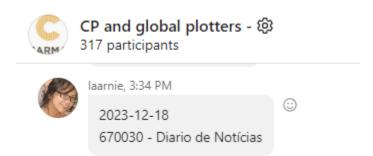

#### STEPS IN LINKING

- 1. Open Linkers Tab from the dashboard
- 2. Click "Use 3rd Party Linker V2"

- 3. Check if page 1 is plotted (located on the left side). If not, report to the leader for re-delegation.
- 4. Click Recalc for automatic linking of articles
- 5. Double check for link and unlink articles for possible corrections
- 6. Click SAVE
  - For Boxnet, after saving click DONE before exit
  - For Portugal and Global, click EXIT then DONE
- 7. Once done, please post done to Linkers GC
  - For Boxnet, refer below GC and sample

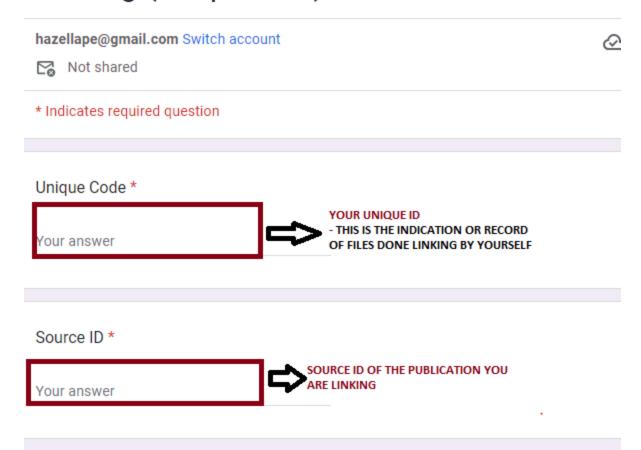

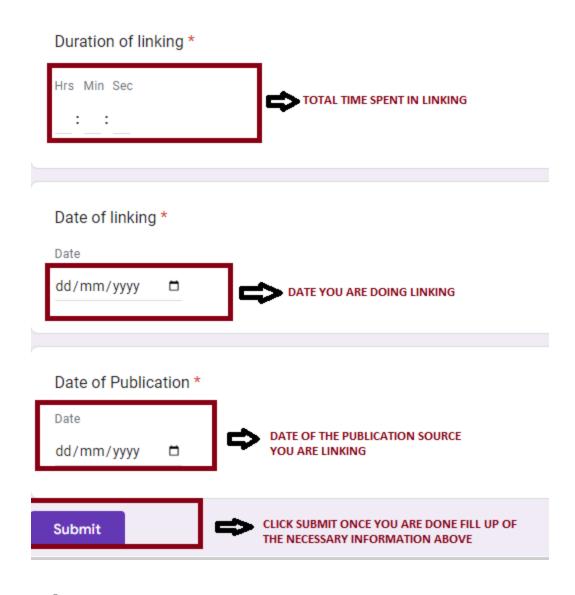

- For Carma Portugal and Carma Global, refer below GC and sample
